* Cutting down pacifiers violates product safety requirements and presents a risk of injury and infection to caregivers and babies.

What People Are Saying

The Best!

"JollyPop is the best. Softer feel while fitting baby's mouth better so he keeps it in longer."

Miranda; Sevierville, TN

Fits Oxygen Cannulas

"The shape of the JollyPop is great! My son was born at 25 weeks and is currently on oxygen. The shape of the JollyPop allows his cannula to fit."

Noelle; Valders, WI

Love the Loop Handle

"The loop-shaped handle makes it easier to put in baby's mouth. And it's so convenient to loop on my finger while I care for my baby."

Kristie; Escanaba, MI
